## **Skeena Resources Announces Overnight Marketed Public Offering**

**Vancouver, BC (November 10, 2020) Skeena Resources Limited (TSX: SKE, OTCQX: SKREF)** (“Skeena” or the “Company”) is pleased to announce that it has launched an overnight marketed public offering of common shares (“Common Shares”) seeking gross proceeds of approximately C\$35 million (the “Offering”). The Offering will be conducted through a syndicate of underwriters led by Raymond James Ltd. and Canaccord Genuity.

The Common Shares will be offered pursuant to a prospectus supplement to the Company’s short form base shelf prospectus dated November 4, 2020. A preliminary prospectus supplement has been filed and the Company intends to file a final prospectus supplement to its base shelf prospectus on or about November 11, 2020.

The Common Shares will be offered in each of the provinces of Canada, except Québec. The Common Shares will also be sold to U.S. buyers on a private placement basis pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended, and other jurisdictions outside of Canada provided that no prospectus filing or comparable obligation arises.

The Offering is expected to close on or about November 17, 2020 and is subject to Skeena receiving all necessary regulatory approvals, including the approval of the Toronto Stock Exchange.

Barrick Gold Inc., which currently holds approximately 12.4% of the issued and outstanding Common Shares, has the right to maintain its pro-rata ownership interest in the Company via participation in future Skeena financings.

The net proceeds of the Offering will be used by the Company to fund exploration and development activities at the Eskay Creek Project and Snip Gold Project, and for general administrative and corporate purposes.

Agentis Capital Mining Partners, Jett Capital Advisors, and Tectonic Advisory Partners have acted as financial advisors to the Company.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the U.S. Securities Act or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

### **About Skeena**

Skeena Resources Limited is a junior mining company focused on developing the past-producing Eskay Creek gold-silver mine located in Tahltan Territory in the Golden Triangle of northwest British Columbia, Canada. The Company released a robust Preliminary Economic Assessment in late 2019

and is currently focused on infill and exploration drilling at Eskay Creek to advance the project to Prefeasibility. Skeena is also exploring the past-producing Snip gold mine.

On behalf of the Board of Directors of Skeena Resources Limited,

Walter Coles Jr.  
President & CEO

### **Cautionary note regarding forward-looking statements**

Certain statements made and information contained herein may constitute “forward looking information” and “forward looking statements” within the meaning of applicable Canadian and United States securities legislation. These statements and information are based on facts currently available to the Company and there is no assurance that actual results will meet management’s expectations. Forward-looking statements and information may be identified by such terms as “anticipates”, “believes”, “targets”, “estimates”, “plans”, “expects”, “may”, “will”, “could” or “would”. In this new release, forward-looking statements relate to, among other things: the filing of the final prospectus supplement, the completion of the Offering and the use of the net proceeds therefrom; the anticipated closing date; anticipated advancement of the Eskay Creek Project and the Snip Project; and future exploration and development plans of Skeena.

Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the estimation of mineral resources and reserves, the realization of resource and reserve estimates, metal prices, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.

Neither the Toronto Stock Exchange nor the Investment Industry Regulatory Organization of Canada accepts responsibility for the adequacy or accuracy of this release.
