

Skeena Announces AGM Results

Vancouver, BC (February 10, 2017) Skeena Resources Limited (TSX.V: **SKE**) (“Skeena” or the “Company”) is pleased to announce the results of its Annual General Meeting (“AGM”), held on February 8, 2017. All resolutions presented to the shareholders were approved with over 83% of votes cast being in favour of each resolution (see the SEDAR filing of the Company’s Information Circular, dated January 10, 2017). As a result,

- Ernst & Young LLP was re-appointed as the auditor of the Company
- The number of Directors was set at five with the following nominees elected as directors: J. Rupert Allan, Walter Coles Jr., Ronald K. Netolitzky, Craig Parry and Peter N. Tredger
- The Company’s Incentive Stock Options Plan was re-approved

Following the AGM, the board appointed J. Rupert Allan, Craig Parry and Peter N. Tredger to both the Audit Committee, and the Corporate Governance and Compensation Committee.

About Skeena

Skeena Resources Limited is a junior Canadian mining exploration company focused on developing prospective base and precious metal properties in the Golden Triangle region of northwest British Columbia, Canada. The Company’s primary activities are the evaluation and development of the Spectrum-GJ gold-copper project as well as exploration on the past-producing Snip gold mine, acquired from Barrick Gold, and the past-producing Porter Idaho silver mine. Skeena’s management includes a highly experienced team of mine-finders, including Ron Netolitzky, Chairman of the Board.

On behalf of the Board of Directors of Skeena Resources Limited,

Walt Coles Jr.
President & CEO

Cautionary note regarding forward-looking statements

Certain statements made and information contained herein may constitute “forward looking information” and “forward looking statements” within the meaning of applicable Canadian and United States securities legislation, including, among other things, information with respect to this presentation. These statements and information are based on facts currently available to the Company and there is no assurance that actual results will meet management’s expectations. Forward-looking statements and information may be identified by such terms as “anticipates”, “believes”, “targets”, “estimates”, “plans”, “expects”, “may”, “will”, “could” or “would”. Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the estimation of mineral resources and reserves, the realization of resource and reserve estimates, metal prices, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.
